Introduction

West Bandung is one region in Indonesia that has been focused on cultural development and tourism activities. In West Bandung Regency Regulation No. 12 of 2012 concerning the spatial planning and area of West Bandung Regency 2009-2024 in Chapter 1 Article 1 provision No. 54, West Bandung Regency tourism area is a large area that was built or provided to meet tourism needs including guesthouses, restaurants, cafes, resorts, tourist markets and other similar activities.

As an area that close to many tourism places nearby, West Bandung has great potential to be an alternative for tourists as a place to stay and to do recreational activities.
